

KING FROSCH

2003 Ortega Dry Berry Select

This absolute fantastic 2005 Ortega T.B.A. "TroockenBeerenAuslese" is crafted from late select harvest grapes, like those used for ice wines, but handpicked before the frost. Very fruity & highly complex, lively on the palette with persistent flavors of peach, vanilla, and honey. Great when enjoyed as or with a dessert. A slight amount of citrus and acidity add to the complexity. An incredible masterpiece of nature. Ideal with pound cake with berries or peaches and whipped cream. Serve chilled.
